This is NOT Another Died, Gone to Heaven and Survived Book

On Earth as It Is in Heaven, a Personal Allegory, is a testimony, a *reality book* of Julie Castro's personal journey in which each chapter addresses a scenario; but is relevant to the bigger picture and overarching themes of Jesus and walking her path that God predestined. Ultimately, the book is a personal allegory of Jesus, the One True Husband.

The lessons learned, processes, revelations and instructions are shared to readers with candor and transparency. The reader will gain a clearer understanding of the Father, Son and Holy Spirit and how They operate in one's life to bring each person to their destiny.

The book cover reflects it best - the steps that Julie followed to reach the open door that God had for her and has planned for each person, if they will follow God's directions and yield to His leading. As Jeremiah 29:11 states:

"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." (NIV)

Ms. Castro states, "Scriptures from The Holy Bible are incorporated into the book to support my testimony and reinforce that there truly is nothing new under the sun as it is written in Ecclesiastes 1:9."
