What Has God Prepared for You?

*On Earth as It Is in Heaven,
a Personal Allegory*
Julie Castro

In her book, *On Earth as It Is in Heaven*, Julie Castro shares the personal experiences she encountered while waiting for the man God called to be her husband. Whether a believer in Jesus or not, this intimate book will give the reader insight into how God (Yahweh) moves in one's life. The author uses personal circumstances to help each person grow and come into the fullness to which they are called, ultimately leading to their destiny. Julie shares her lessons learned, processes, revelations, and instructions with candor and transparency. The book is a personal allegory of Jesus, the One True Husband.

**What an incredible life
God has given to each one of us,
if we will just walk in it.**

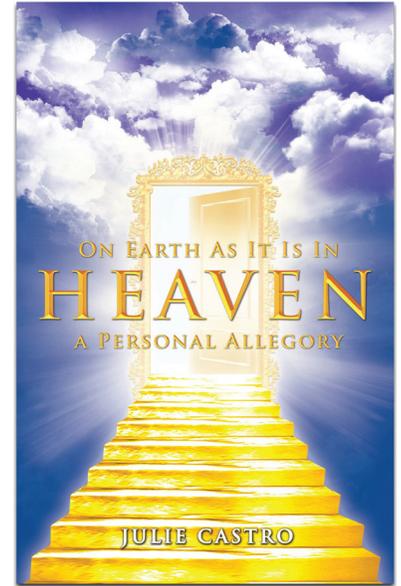

About the Author

Julie Castro credits her parents for her writing and editing talents. Throughout her work history, Julie has written articles, grants and proposals giving her the foundation for writing a book. In 2014, she resurrected Fiesta Publishing, the company her mother co-founded in 1994.

Having a personal relationship with Jesus for 29 years, Julie has lived her life according to His will; leading her to new cities, jobs, churches, and the understanding of walking heaven on earth. She finds living in the Lord an adventure and never knows where she will be led to go or who she will encounter each day.
