Obedience is Better than Sacrifice

Julie Castro published her personal allegory *On Earth as It Is in Heaven* in 2015. It was a step of obedience in her faith walk. Doors opened up for her to minister at churches, selling a few books along the way. She continued to wait upon the Lord for the next step and in early 2016, the Lord showed her that the book was birthed out of obedience, not to sell books.

The next doors opened soon after that realization. Julie wrote two articles that were published in Spring 2016. She also sent a press release titled, *It's Not About the Book, It's About the Obedience* which then lead to numerous radio and podcast interviews in the summer. While conversing with a friend about the media opportunities, Julie commented on how quickly God was moving in her life and wondered out loud, "What's next?" Julie heard, "TV" and her next faith walk began.

With no experience or knowledge of television or how to produce a show, Julie Castro stepped out in faith and obedience to create the program *Thirst No More and Bear Fruit*. The program title also happens to be the tagline for her company, Fiesta Publishing.

Using her own offerings that the Lord told her to set aside according to 1 Corinthians 16:2 to finance the show, Julie walked thru the open doors presented to her.

What is a faith walk without resistance? Ms. Castro encountered obstacles as the show taping began, but she didn't recognize them as a ploy of the enemy. Instead, she walked in peace. It wasn't until a friend who said to her, "You passed the test," that she understood the delays. But God's timing is perfect and Julie is introducing the program, *Thirst No More and Bear Fruit* at the National Religious Broadcasters, Proclaim 17 convention in Orlando, Florida, February 27 – March 2, 2017.

Julie Castro will be at the convention. To make an appointment to meet with her or to obtain a copy of the book and/or a DVD of the show for feature and editorial purposes contact her at: julie@fiestapublishing.com or 602.795.5868.
