I have lived a long time, Sir, a long time, and the longer I live, the more convincing proofs I see of this truth—that God governs in the affairs of men. And if a sparrow cannot fall to the ground without his notice, is it probable that an empire can rise without his aid?

Benjamin Franklin
Constitutional Convention, 1787

PRAYER TO PRESERVE AMERICA

"Preserve America, oh God, let her take refuge in You. Let America trust in the Almighty! LORD we ask You to preserve the integrity of America and keep us alive; let this Nation be blessed upon the earth. Father, please show America the path of life: Let her people seek after Your presence, for in Your presence is fullness of joy; at Your right hand there are pleasures for evermore.

Almighty God, we come humbly before you on bended knee, beseeching You on behalf of this great Nation, America. You have set this Nation on high in the earth, and for that we are forever grateful. You have a divine destiny for America, oh God, that can only be achieved as we keep our hearts and minds fixed on You.

So we cry out today, oh God, for You to do what only You can

– cause us to remember who we are and Whose we are! Restore to us the joy of our salvation! Let us come as a Nation to You in repentance, awe and reverence. Let our cries for forgiveness lay a path for America's preservation.

God, bless and keep America, sustain America, let Your Holy Angels guard America! Lord make Your face shine upon America; be gracious to America! Lift up Your face toward America, and give her peace, tranquility and a way of life that is acceptable to You."

(Adapted from Psalm 16:1, 11;
Psalm 41:2 and Numbers 6:24-26,
